MEMORANDUM FOR SQUADRON COMMANDERS AND WING STAFF

From: NV/CC

Subject: Authorized Airports

- 1) This memorandum is a re-issue and supersedes the authorization dated 14 March 2008.
- 2) CAPR 60-1 para 2-5b requires Wing Commander approval for flights to neighboring Wings.
- 3) Because of their proximity to NVWG units and the availability of important resources, flights to certain neighboring airports are hereby granted standing authorization.
- 4) Flights to airports outside the NVWG which are not listed in this authorization do require specific approval by the NV/CC.
- 5) Units desiring standing authority for additional airports should make a request through the NV/DO.
- 6) Authorized airports:
 - a. Airports East of the Sierra Crest along the Nevada border, including M45, O57, O24, KMMH, KBIH, L09, L06, L09, 207, O26, L72, O02 and O79.
 - b. Airports with instrument approaches neighboring Las Vegas, including KEED, KIGM, KCDC and KSGU.
 - c. Airports with instrument approaches in the Sacramento Valley, including KSMF, KMCC, KAUN, KPVF, KMHR and KSAC.
